# Creating a Global Dialysis Workforce

NephroPlus International Dialysis Academy equips aspiring nurses with specialized dialysis training, hands-on clinical experience, and internationally aligned skills-preparing them for career opportunities across the NephroPlus global network in Kazakhstan, Saudi Arabia, and Uzbekistan.

## THE CHALLENGE TODAY

### What Your Graduates Face Without a Trusted Pathway

#### WITHOUT NIDA

- ✗ Pay ₹80,000–1,00,000 to middlemen with zero guarantees
- ✗ No confirmed deployment - offers fall through after months of waiting
- ✗ No structured dialysis training; expensive retraining at destination country
- ✗ Exploitation risk: unclear contracts, hidden costs, sudden withdrawal of offers

#### WITH NIDA

- ✓ Zero placement fees - no payments to middlemen, ever
- ✓ Confirmed international deployment with NephroPlus or its affiliates
- ✓ Structured 24-month training + internationally recognised certification
- ✓ Transparent contract: stipend, accommodation & career clarity from Day 1

## THE PROGRAMME

### A 4-Year Structured Pathway to an International Career

**01** Months 1–2

#### Classroom & Simulation

Intensive dialysis theory, simulation labs, SOPs, and patient safety protocols

**02** Months 3–22

#### On-the-Job Training

Supervised clinical practice at NephroPlus centres. Stipend + accommodation included

**03** Months 23–24

#### Licensing & Certification

Saudi Prometric / international nursing exam preparation and certification

**04** Years 3–4+

#### International Deployment

Confirmed posting to Saudi Arabia / Europe with competitive international salary

## EARNINGS & BENEFITS

# What Your Graduates Earn on the NIDA Pathway

---

### DURING TRAINING FROM DAY 1

- ✓ Competitive stipend throughout the 24-month training period
- ✓ Free accommodation provided — zero living cost to the nurse
- ✓ Internationally accredited dialysis certification — fully funded
- ✓ NephroPlus employment contract signed before training begins
- ✓ No training fees charged to the nurse at any stage

### AFTER DEPLOYMENT

#### International Compensation

- ✓ Salary at par with deployed country market rates
- ✓ Employer-sponsored work visa — fully managed by NephroPlus
- ✓ Comprehensive medical insurance from Day 1 of deployment
- ✓ Accommodation and full relocation support provided
- ✓ Career extension option — contract extendable by 2 years

## WHY PARTNER WITH US

# What Your Institution Gains

---

### Confirmed Placement Record

Your graduates receive verified international placements — boosting your institution's global placement statistics and reputation.

### Global Career Visibility

Association with Asia's largest dialysis network positions your college as a gateway to global healthcare careers.

### Curriculum Alignment

NephroPlus shares specialised dialysis clinical modules and simulation frameworks — at zero cost to your institution.

### Talent Pipeline for Best Students

Students receive a clear 4-year roadmap and a reputed employer from Day 1 — setting your top graduates apart.

### Zero Risk for the College

No financial liability or placement risk. We manage training, deployment, and post-deployment support.

A MESSAGE TO OUR PARTNERS

**Strong systems.**  
**Empowered nurses.**  
**Transformed patient care.**

---

NephroPlus was built on a simple belief—that disciplined execution, transparent systems, and people-first care can transform dialysis outcomes at scale. The same philosophy drives NIDA. When you partner with us, your graduates don't just get jobs; they build careers founded on trust, structure, and opportunity. Through a proven training and deployment pathway, we prepare nurses for successful international careers while contributing to better patient outcomes worldwide.

## **ZERO**

### **MIDDLEMEN**

Every placement is direct. Every contract is signed before training begins. No agents, hidden charges, or uncertainty.

## **24**

### **MONTHS OF TRAINING**

Fully funded, clinically supervised, and internationally aligned training designed to build confident and deployment-ready dialysis professionals.

## **4-YEAR**

### **GUARANTEED PATHWAY**

A structured roadmap from classroom learning and clinical practice to international certification and confirmed overseas deployment.

---

## **GET IN TOUCH**

### **Let's Begin the Conversation.**

No commitment is required at this stage—just an opportunity to discuss how we can work together to create international career pathways for your graduates.
